The interface is titled "HOTEL MEAL" in a pixelated font. It features several components:

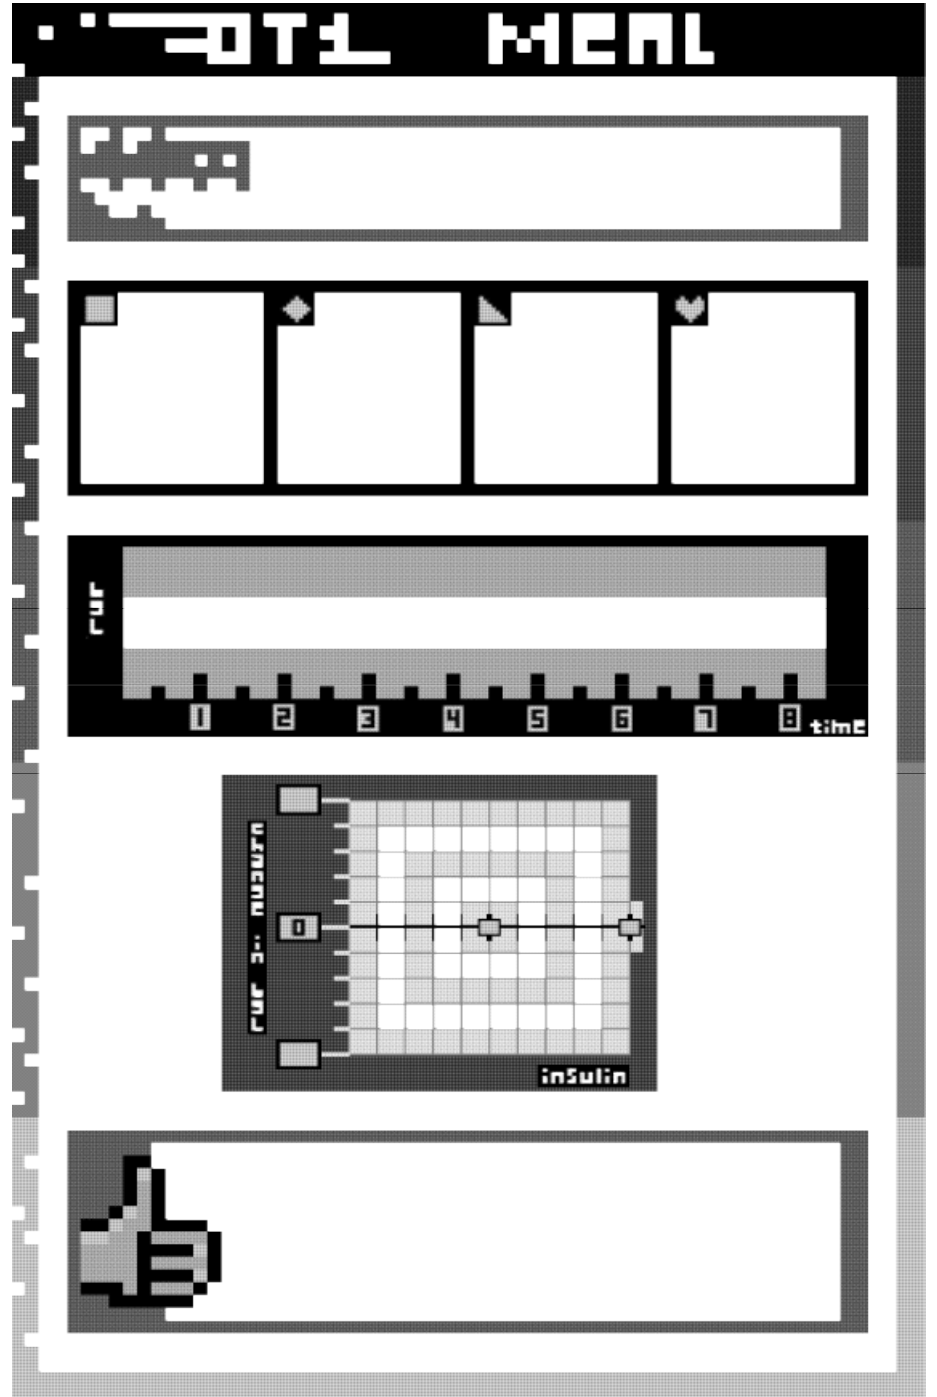

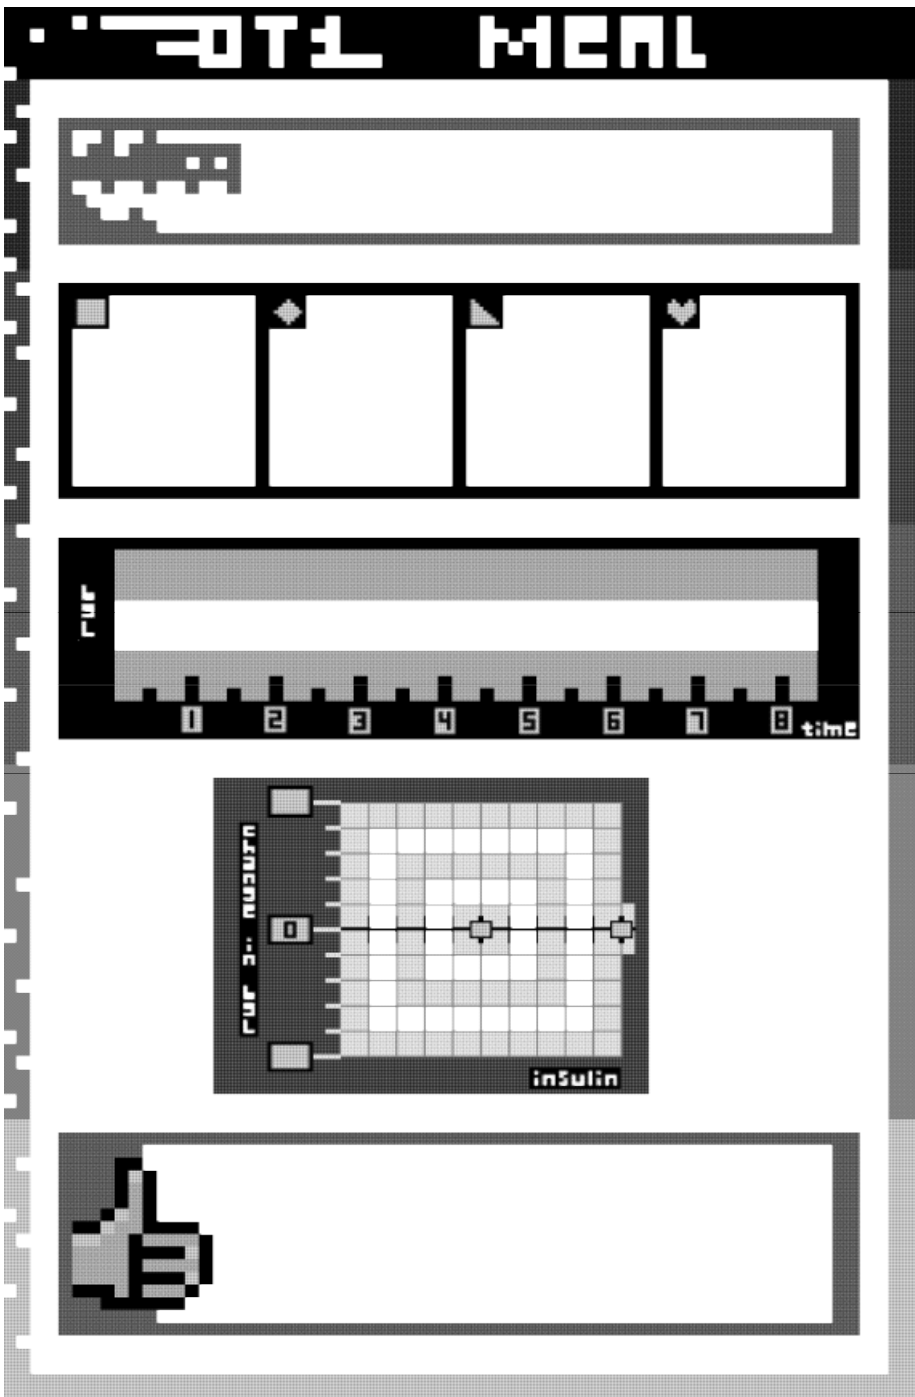

- A top header bar with the text "HOTEL MEAL".
- A large empty rectangular box at the top, possibly for a profile picture or logo.
- A row of four square panels below, each containing a different icon: a square, a diamond, a triangle, and a heart.
- A bar chart below the panels with a vertical axis labeled "rur" and a horizontal axis labeled "time" with markers for 1 through 8.
- A grid-based chart below the bar chart with a vertical axis labeled "rur 3.. nuscun" and a horizontal axis labeled "inSulin". It shows a horizontal line with two data points marked by squares.
- A large empty rectangular box at the bottom, containing a pixelated thumbs-up icon on the left side.
